

Ewing | Kessler Power Solutions

Division of Ewing | Kessler , Inc.

www.ewingkessler.com

Aegis SGR

www.est-aegis.com

Aegis Shaft Grounding Rings protect motor bearings for life on inverter duty motors by diverting shaft currents to ground. Maintenance free and easy to install.

by Schneider Electric

APC

www.apc.com

Solutions for wherever data is created, transmitted or stored. Uninterruptible Power Systems (UPS), Power Distribution Units (PDU), Precision Cooling, Racks, Infrastructure and Infrastructure Management Solutions.

Danfoss

www.namc.danfoss.com

Adjustable frequency drives are specially designed for the unique requirements of HVAC applications

DataPod

www.datapod.com.au

Modular, scalable, purpose-built, energy-efficient data center infrastructure **DELIVERED** complete to your site. Incorporating APC InfraStruXure (Hot Aisle® Environmental Solutions, Symmetra UPS & Netshelter Racks) to compliment DataPod's right-sized ground-up engineered structures built to internationally standardized shipping container dimensions.

Utilize a ProjectPod for a complete stand-alone solution. Or a StarterPod, ExpanderPod & EndPod to right-size your operation and add an ExpanderPod later as demand requires. Incorporate an EntryPod with a sallyport configuration for complete access control. Support the installation independent of other existing utility infrastructure with the ConnectionPod and UtilityPod for generators, chillers & gas/electric utility services.

Emerson

www.hvacr-drives.com

Building Automation HVACR variable frequency drives.

Generac Power Systems, Inc.

www.generac.com

Major components are designed and manufactured by Generac in a vertically integrated environment, ensuring the highest reliability standards.

MPS (Modular Power Systems) up to 9,000kW
Diesel and Bi-Fuel gensets up to 600kW

by Schneider Electric

MGE

www.apc.com

Uninterruptible Power Systems (UPS) solutions for data, IT, communication, security, laboratory & industrial operations requiring continuous uninterrupted power.

OnLine Power

www.onlinepower.com

Comprehensive product scope of specialized UPS, Power Conditioners , PDU, Isolation Transformers and Harmonic Cancellation Transformers. Health Care Facility UPS (UL1778) - most compact and quietest in the industry. Central Lighting Inverter UPS (UL924). Power Conditioners for Medical, Commercial and Industrial applications. UPS units for harsh environments, telecommunications, fire alarm & traffic signals.

Ewing | Kessler, Inc.

www.ewingkessler.com

We look forward to your next visit with us at our new corporate facility where our expanded services include professional development training, parts, service, equipment demos and more. We are now located at 1631 New Century Parkway.

Thor Systems

www.thorsystems.us

Manufacturer of electrical AC power and data telcom Surge Protection Devices (SPD), formerly referred to as Transient Voltage Surge Suppression (TVSS).

Siemens

www.sea.siemens.com

Siemens Industry helps customers in the industrial, infrastructure and construction sectors succeed by providing complete electrical, engineering and automation solutions. Through a commitment to innovative engineering that goes back more than 150 years, Siemens serves the world's largest and most respected companies through integrated solutions, software, hardware and services.

Stulz ATS

ats.stulz.com

Complete line of exceptional Precision Air (Data Center, IT, Telecommunications, Laboratory) Conditioning Systems ranging from 1.5 through 100 tons of cooling capacity.

Yaskawa

www.yaskawa.com

Adjustable frequency drives specially designed for the HVAC and Industrial market.
